

Physical Chemistry Lab Notebook Grade Sheet

Student: _____

Item	Points	Comments
Table of Contents, Page Numbers, Initials	/6	
Heats of Formation Lab	/6	
Bomb Calorimetry Lab	/6	
Heats of Vaporization Lab	/6	
Solution Kinetics Lab	/6	
Fluorescence Spectroscopy Lab	/6	
N,N-dimethylacetamide Lab	/6	
Independent Project	/12	
Total	/54	

* For each lab, two point will be given for: a) summary of experiment, including operation of instruments and observations, b) spectra and other data, c) results and calculations. Due to the length and independent nature of the final project, double points will be awarded for each section.
