

Greetings All!

We are looking forward to the 2006 EALM Reunion with great anticipation. We hope to see many of you here, and ask that you check with your other family members (children and siblings) and pass on this information to them in case they are not on our mailing list. Program planning is going well although we may still contact some of you with requests for help in some areas.

We have reserved space on campus for 300+ people in air-conditioned suites and rooms. Most of the suites have 2 to 3 private bedrooms, and 1 or 2 bathrooms, and can house 4 to 6 or more people per suite. These are ideal for family groups and couples alike. If you have special friends with whom you would like to share a suite, please note that on the back of your Registration Form when you return it. We will try our best to match people up with friends when we can. We may also need to house some people in rooms that share a common bathroom down the hallway (similar to dormitory living.) All accommodations will be air conditioned!

Rooms come ready for occupancy with two sheets per bed, a light blanket, pillow and pillowcase, and one towel and washcloth per person. A fresh clean towel and washcloth exchange will also be available on Saturday.

For those of you with children who will be attending the reunion, we hope to have limited child care available (how much will depend on how many requests we receive.)

We hope to provide some type of transportation (golf carts) between the Dorms and the Meeting Halls during the regular hours of the day and by request for those who may find the walk between the buildings challenging.

Also, should you have any specific special needs, dietary or other, please note them on the back of your registration form or contact me directly in advance (Joel Jackson).
