

Semester Reflection:

Part 1: Individual Reflection and Free Writing Individually write answers to the following questions:

- What was the highlight of your first semester in college?
- What was the lowlight of your first semester in college?
- What is something you think you will always remember about your first semester?
- What are you most proud of doing/learning in your first semester?
- What is one thing you changed your mind about this semester?
- What is one thing you want to change next semester based on what you learned/experienced this semester?

Semester Reflection:

What was the highlight of your first semester in college?

Semester Reflection:

What was the lowlight of your first semester in college?

Semester Reflection:

What is something you think you will always remember about your first semester?

Semester Reflection:

What are you most proud of doing/learning in your first semester?

Semester Reflection:

What is one thing you changed your mind about this semester?

Semester Reflection:

What is one thing you want to change next semester based on what you learned/experienced this semester?

Bonus

Let's talk about plagiarism...
