

- ___ 8 UML collaboration diagram of (width right-b)
- ___ 14 Complete version of UML collaboration diagram of (draw-on angle medium) using right-b
- ___ 8 UML collaboration diagram of (width angle) using right-b
- ___ 6 UML collaboration diagram of a line drawing itself on medium
- ___ 8 UML collaboration diagram of a line's mirror image drawing itself on medium
- ___ 6 UML collaboration diagram of a line's turned image drawing itself on medium
- ___ 8 `make-filled-triangle`
 - ___ 2 Width
 - ___ 2 Height
 - ___ 2 Draw-on
 - ___ 2 Appropriate error message
- ___ 10 `make-mirrored-image`
 - ___ 3 Width and height (not swapped, computed correctly)
 - ___ 6 Point transform (use (width base-image)), named appropriately, etc
 - ___ 1 Appropriate error message
- ___ 12 `make-scaled-image`
 - ___ 2 Width computed correctly from base image
 - ___ 2 Height computed correctly from base image
 - ___ 1 Appropriate name for point transform
 - ___ 6 Code for point transform
 - ___ 1 Appropriate error message
- ___ 20 `make-stacked-image`
 - ___ 4 Checks that widths (but not necessarily heights) are the same
 - ___ 2 Width computed correctly
 - ___ 4 Height computed correctly
 - ___ 2 Stacks images in right order
 - ___ 1 Appropriate name for point transform
 - ___ 3 Code for point transform
 - ___ 3 Code for draw on
 - ___ 1 Appropriate error messages

_____ **TOTAL**
