But you're a Spaniard; and it's the Spanish custom to brush your teeth & reddish gums every morning with the foul water that you've made in the nighttime! And so your gleaming teeth only serve to remind us what a great lot of piss you've recently swallowed.

But you're a

٦,

Spaniard,

and we already know the Spanish custom:

how Spaniards clean their teeth and scour their gums with the same water that issues from their bladders.

So if your teeth are clean, my friend, we know how you have used your urine.

3.

But you're Celtiberian and in Celtiberia Everyone uses his own pee each morning For rubbing down his teeth and his red gums. So the more highly polished your teeth are The more the piddle you are proved to have drunk.

4.

as it is, you're Spanish: in the land of Spain they take the water that they make and every day they scrub their teeth and rosy gums with it and so:

the higher the shine upon your teeth we see the more we know that you have drunk of P
