MCS-385 **Daily reading assignment** February 8, 2003
David Wolfe

- Your name, the date (of the upcoming class) and the reading assignment:

- Identify any confusing points or questions you have on the reading:

- Propose a class discussion based on the reading and identify 3 sources (page references in the reading, resources outside the reading, or knowledge you have picked up elsewhere) related to the discussion topic:

- If you did some other (unassigned) preparation for class, mention it below: (Example: I summarized yesterday's New York Times article on _____.)
